# The Company

WIN is your trusted partner in the field of consulting services, supporting dozens of businesses and organizations with a comprehensive portfolio tailored to dynamic, modern, export-oriented, and competitive sectors of the economy in Greece and abroad.

Our core objective is to fully meet the expectations and needs of each client. With privately-owned, well-equipped premises, cutting-edge technology, and a team of highly qualified professionals with years of experience in designing and implementing EU co-funded programs for both private and public sector clients, WIN ensures top-tier service quality and efficiency, fully aligned with recognized standards.

Our specialized consultants can effectively support your business or organization in areas such as development, networking, and internationalization.

# Services

WIN's areas of expertise and services include, but are not limited to:

- Consulting services for the design, development, and management of competitive programs funded by the European Union and other international organizations
- Implementation and management of export promotion programs, with emphasis on the agri-food sector in the domestic market and in third countries
- Organization of promotional events and publicity campaigns in Greece and abroad
- Strategic plans for tourism development
- Specialized interventions in tourism promotion and marketing
- Organization and support of B2B meetings in Greece or abroad
- Trade fair organization and participation support
- Marketing and promotion strategies using new technologies

Our expertise in European and international funding, along with our specialization in development issues, can help you realize your vision for your business or organization. At the same time, our commitment to understanding and respecting each client's unique needs guarantees a productive and rewarding partnership.

Our main goal  
is to satisfy your expectations  
and needs.
